

Clean air. Just add salt & water.

AAIRA AIR PURIFIERS

HOCl is a naturally occurring molecule and a powerful disinfectant. Aaira generates HOCl with natural ingredients, salt and water. HOCl is sent into the air to attack and eliminate bacteria, viruses and mold on contact.

Pristine air. Just as nature intended.

SCIAIRE AIR PURIFIERS

Air ionization occurs during thunderstorms, in waterfalls, and when waves crash on the beach, releasing large amounts of positive and negative ions into the air. PlasmaShield Technology brings this natural, active process into your space and pairs it with True HEPA filters and activated carbon filters for everyday protection.
